

## FLOWSTAR NEWSLETTER - DEC 2025

### SEASON'S GREETINGS FROM FLOWSTAR

As the festive season approaches we would like to extend our warmest wishes to all of our customers and suppliers. Thank you for your incredible support over the past year. Your custom has been invaluable and we look forward to working with you all in the coming year.

Please note that our offices will be closed from 5pm on 23rd December and will re-open at 8am on 2nd January. For any enquiries before then please call us on +44 (0)1482 601030 or email sales@flowstar.co.uk for a quote from one of our friendly sales team!

Merry Christmas and have a Happy New Year!

The Flowstar Team

### AIRSWEEP AVAILABLE AT FLOWSTAR

AirSweep has long been part of Flowstar's trusted range of flow-assurance products, helping customers keep even the most difficult materials moving smoothly. Using powerful, high-pressure 360-degree air pulses, AirSweep breaks the friction between vessel walls and material, eliminating common issues such as bridging, ratholing, arching, and build-up. Its unique sweeping action can even flush vessels completely clean, reducing downtime and improving process reliability.

To learn more about how AirSweep can enhance your material handling systems, contact the Flowstar team.

### YOUR TRUSTED RESIDEO SUPPLIER

Flowstar proudly stocks and supplies a comprehensive range of Resideo valves, known for their reliability, performance, and smart engineering. Whether you need backflow preventers, pressure reducing valves, or safety solutions, Resideo products deliver dependable operation across a wide variety of applications.

With Flowstar's expertise and ready availability of Resideo valves, you can count on fast delivery, quality products, and the support you need to keep your systems running at their best. Contact us on +44 (0)1482 601030 or email sales@flowstar.co.uk to check stock or discuss your requirements.
